SUBJECT: Post Membership Goals LY 2022-2023

Commanders and Adjutants,

The 5th District Leadership Team met recently to discuss the membership goals provided by the Department of Georgia for LY 2022 – 2023. The meeting took place on Wednesday, August 10, 2022, at Post 160, in Smyrna Ga. Those present include Commander Ronnie Pate, Senior Vice Commander Steve Fuller, Junior Vice Commanders Wade Lnenicka, Ray Jacobs, and Jerry Smith. 5th District Adjutant Ben Sinclair and Post 160 Adjutant Denise Watkins were present as well.

The good news is that the Dept. did not increase the membership goals of the 5th District for LY 2022 – 2023. The overall goal for the 5th District remains at 5209. The meeting was conducted to evaluate the current state of the 5th District and it was determined that their needed to be a redistribution of each Post's individual goals. Therefore, the 5th District is charged with producing 16% (5,209) of the DOG goal by: Renewing, Recruiting and Transferring members from the Georgia Post 400 list to a local Post. You do not have to wait for the District revitalization! You can use MyLegion.org to create a Post 400 report for your area / zip code(s) and be working on transferring members to your Post. Remember, anyone transferred from Post 400 must give their consent and be treated like a Post-to-Post transfer.

The attached list provides the goal for your respective Posts. We are respectfully asking for your commitment in supporting this endeavor. Post Commanders, please pass this information to your respective Post SVC to be used by their Membership committees. The district goals cannot be met without the unwavering support of these important Comrades. Therefore, D5 JVCs please reach out to these important Comrades at every opportunity to offer support and suggestion in a kind and respectful way.

The DOG has set the following milestones: 50% of goal by September 14; 75% of goal by December 7th; and 100% of goal by May 17th. Please accept this challenge with enthusiasm. Let's be the first district to meet this milestone!

Let's Do This!

Steve Fuller
