

CARROLL COUNTY AG CENTER HERITAGE DAYS

SEPTEMBER 28-29, 2017

The Post 143 Family participated in the 22nd Annual Heritage Day Event that has approximately 1400 4th graders from several surrounding counties attend this event over a two day period. Students got to see how folks lived, taught, hunted and fought in Civil War during the 18th Century. They also learned about both the American and Confederate Flags. Post 143 also performed two Flag Retirement Ceremonies each day. Pictures depict the day's events:
